"BEST FOR LAST"

Fundraising Raffle

CASH PRIZE \$10,000!

Drawing to be held May 16, 2008

160 tickets to be sold at \$125 each

What would you do with an extra \$10,000? In an exciting fundraising effort, the SD Dental Foundation hopes to let some lucky winner answer this question. Tickets are now available for the Foundation's first annual "Best for Last" raffle.

The Foundation will sell only 160 tickets, at the price of \$125 each. The winner will be determined on May 16, 2008 during the Mixer at the Annual Session. The drawing will be held at the Sioux Falls Convention Center, beginning at 7:00 PM.

The "Best for Last" raffle is a reverse drawing—the winner will not be the first name, but rather the last name drawn out of the hat. Throughout the Mixer all 160 names will be drawn. While not the big winners, the 50th, 100th and 150th names drawn will win consolation prizes.

Near the end, things will really get interesting. The final ticket holders will be called up and will draw straws to see if they are one of the five finalists. The five finalists will then have the option of splitting the grand prize or going all the way. The drawing continues this way until a final winner or winners are determined.

All proceeds will support programs sponsored by the SD Dental Foundation.

I bet I can win the "Best for Last" drawing, plus I'd like to support the South Dakota Dental Foundation!
